Gain New Skills

Get ahead in tech and other growing industries.

Flexible Learning

Just 1-2 hours a week for up to 12 weeks.

Earn a Certificate

Earn a certificate to impress future employers.

"The course was well designed with a balanced mix of materials, synchronized lunch-and-learn sessions, and very informative videos. I never felt alone as the instructor was available for us when needed.

- Diana De la Cruz, Artificial Intelligence and Big Data Fundamentals and Impact Student

How It Works

- 1. Sign Up:** Visit goictc.link/elearning, create an account, and choose your course.
